FOR IMMEDIATE RELEASE

Community Engagement Survey: Make Your Voice Heard Northeastern Michigan!

Alpena, Michigan – Your voice matters! Northeastern Michigan residents are encouraged to participate in the Region E Community Engagement Survey, a vital initiative that aims to gather local feedback from all 11 counties in the region – Alcona, Alpena, Crawford, Cheboygan, Iosco, Montmorency, Ogemaw, Otsego, Oscoda, Presque Isle, and Roscommon.

Why Participate?

This survey is an opportunity for residents to express their thoughts, ideas, and concerns about their communities. Your input will directly influence local decision-making processes, helping shape the future of our region. Whether you're passionate about housing, economic development, infrastructure, or other community matters, your perspective is crucial.

How to Participate:

Participation is easy and can be done from the comfort of your home. Visit the survey link: [Community Engagement Survey www.facebook.com/NEMHAPlan](https://www.facebook.com/NEMHAPlan) and complete the questionnaire. It should take only a few minutes of your time. You can also click the QRC Code Below.

Confidential and Impactful:

Rest assured, your responses are completely confidential. Your personal information will not be shared, and your input will be used solely for improving our communities. We value your privacy and trust.

Act Now, Shape Tomorrow:

Don't miss this chance to contribute to the betterment of our region. Your voice can drive positive change, influence policy decisions, and enhance the quality of life for everyone in our community—Survey Deadline: September 30, 2023.

Please complete the survey by September 30, 2023, to ensure your feedback is included in our data analysis.

Target Alpena Development Corporation and the Northeast Michigan Housing Alliance (NEMHA) are dedicated to building a better future for Northern Michigan by fostering community engagement, advocating for local needs, and promoting sustainable development. We believe in the power of collective voices to create positive change.
